SETTING UP YOUR TURNKEY SUITE PAGE

PAGE CREATION

Please allow two business days from purchase for your page to be created, then accept your admin role on your new business page.

STEP 1

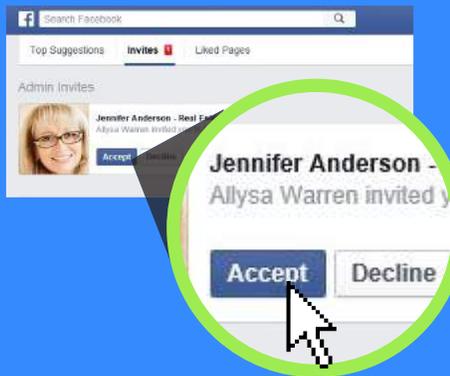

STEP 2

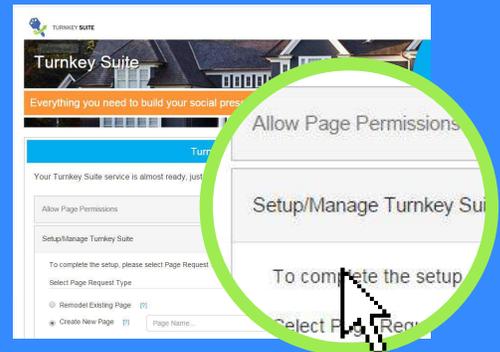

Ensure you have filled out the short Page Create form in our app, and email any custom logos or graphics if needed to turnkey@homeasap.com.

After 2 business days, watch for an email from turnkey@homeasap.com with confirmation that your page has been created.

STEP 3

STEP 4

From a browser (not the Facebook app) on your desktop, laptop or tablet, log in to Facebook and click on the following link. Click the 'Accept' button to become an admin of Your Facebook page.'

Click this link, which will take you back into our app. This refreshes the permissions with Facebook so that our services will appear on your page. Once the page opens, you can simply close the window. To learn how to access your new page, click [here](#).

Congratulations!

You're now an Admin of your Facebook business page!
